

PHILIPS

Important safety alert!

Philips Respironics has issued a voluntary recall notification across certain CPAP, BiPAP and Mechanical Ventilator devices.

If you use one of these devices,
scan the QR code to register your device
and visit [Philips.com/src-update](https://www.philips.com/src-update) for
more information.

Call 1-877-907-7509 if you cannot visit the website or do not have internet access
